Technology, Humanities, and the Arts in London

20 May - 18 June 2016

Earn a general education requirement!

Fulfill electives toward the Digital Humanities minor!

Explore changes in the arts & humanities by immersing yourself in the culture of London, one of the creative capitals of the world, through:

- hands-on workshops
- plays & performances
- museums & galleries
- a trip to Manchester & Liverpool

Courses in the Program:

IAH 241E - Creative Arts & Humanities: The Creative Process (Focus: Technology, Society, & the Arts)

AL 391 - Culture: Physical & Digital
